

Print and cut out the circles and strips below. Use them as templates to draw on your construction paper. The list on the right shows how many circles you will need of each size. Make sure to cut the circles using different colors of paper. (Suggest: 5 or 6 different colors of paper.)

Need to cut out:

4" Circle - 2

3.5" Circle - 4

2.75" Circle - 4

2" Circle - 4

1.5" Circle - 4

1.25" Circle - 4
